

2018 Action Map

The ACTION MAP for 39 years has been the official street map for Kootenai County.

Sponsor and ad space is becoming increasingly limited because... well, there are more streets to print!!!

Three spaces remain. Two on the CdA side of the map and one on the Post Falls side of the map.

If you want your business to be in front of 50,000+ newcomers, locals and visitors for a year in a non-cluttered, reused regularly, and very popular (if you want a testimonial call Joan at the CdA Chamber or Val at Post Falls chamber!) location... contact us this week!

We're ready to make a deal so we can get this issue to the printer. Call or email now.
